

### **AMS Diagnostics Privacy Policy:**

AMS recognizes your need for privacy of the personally-identifiable information you share with us via the on-site registration page in this web-site. AMS Diagnostics, LLC collects personally-identifiable information in the registration page of the site when users register. Personally-identifiable information that may be collected may consist of a unique access ID, profession, titles and contact information, such as names and e-mail addresses. AMS Diagnostics, LLC uses personally-identifiable information you provide only to fulfill your requests for information and to support your customer relationship with AMS Diagnostics. By using this web-site, you consent to the collection, use, and storage of your information by us in the manner described in this Privacy Policy and elsewhere on the site. We reserve the right to make changes to this Privacy Policy from time to time. We will alert you to any such changes only by updating this Policy.

#### **User ID e Password:**

Access to specific information is reserved to registered users and only permitted through the use of a User ID and a password. The User ID and password are strictly personal, and their use is allowed, under the terms of the General Conditions of Use, only to the user who has undertaken the registration. The user is responsible for carefully safeguarding the User ID and password and keeping them secret, and must notify AMS Diagnostics in case of loss or theft by sending an e-mail to [info\(at\)amsdiagnostics\(dot\)com](mailto:info(at)amsdiagnostics(dot)com).

AMS Diagnostics, LLC declines any responsibility for the illegitimate or improper use of the User ID and/or the password and for any damage the registered user and/or third parties may incur as a result. AMS Diagnostics, LLC nevertheless reserves the right to take whatever legal actions are necessary to protect its rights in this regard. The registered user must provide us with the personal information requested by the service, guarantee its truthfulness, accuracy and completeness, and notify AMS Diagnostics in the event of any changes. All the registration data of the user will be used and handled by AMS Diagnostics, LLC as indicated in the above Privacy Policy.
